14 July 2021

Dear Parents,

Below are the Covid cases from last week:

New Year 10	New Year 11	New Year 13
6	2	8

I have been through the Schools Covid-19 operational guidance updated in July 2021. The main changes you need to know ahead of next week are:

- Any close contact tracing after 19<sup>th</sup> July will be done by NHS Track & Trace not by the school. They may or may not liaise with the school to help with this, but in theory this should mean less disruption to education as only the social close contacts are likely to be identified. However, as we don't know the exact workings of this, we shall wait and see...
- Anyone told to isolate before 19<sup>th</sup> July will have to fulfil their full isolation date even if it goes beyond the 19<sup>th</sup> July. That is the Public Health guidance and unless it changes that's what we shall follow.
- For the remainder of the year, all other measures will still be in place.

I will write to you again next week.

Yours Faithfully,  
Preit Chahal
