

National Apprenticeship Week

Gosforth Academy Table of Events:

5th-9th February 2024 -Activities are from 3.30-4pm Mon-Thurs, and 2.40-3.10 on Friday. They are open to every year group.

Date	Event/Activity	Info
Monday 5 th February Lecture Theatre in School	Crosby's Information talk Our school Enterprise Adviser, Roger Crosby will be coming into school to discuss apprenticeships at Crosby's who deal in manufacturing for catering. Manufacturing is one of the North East's biggest areas of growth in industry. There are hundreds of opportunities available in this area across the region for apprenticeships.	Crosbys Restaurant, Catering Equipment & Kitchen Supplies
Tuesday 6 th February room 158 Computer room – Apprenticeship Drop In support	Apprenticeship Drop-In Support. Students from any year group are free to attend a drop in session with Mrs Carter and Mr Limbrick, Careers Leaders. The session is informal, and students can ask questions, apply for apprenticeships, get support with CV/Cover letters, or get ideas on where to search for apprenticeships.	
Wednesday 7 th February Lecture Theatre in School	Newcastle College An information session on apprenticeships, and where to find them.	Newcastle College (ncl-coll.ac.uk)
Thursday 8 th February Lecture Theatre in School	Degree Apprenticeships- Northumbria University An information session on degree apprenticeships, and where to find them.	Northumbria University Uni Courses Study in the Best Student City
Friday 9 th February	Sage to be confirmed

Here at TDR we are hosting an apprenticeship open day for years 11, 12 and 13 students in the February half term. (Friday 23rd February; 12 noon - 2.30pm)

This event is geared to offering information, advice and guidance to all students so that they can make informed choices on their future careers post GCSE and A level.

There will be an opportunity for students (and their parents) to tour the facility, meet the instructors, tutors and assessors at our modern training school in Longbenton. There will also be apprentices on hand to share their journeys as apprentices. TDR staff can discuss different options ranging from level 2, level 3 and level 4 apprenticeships.

Even better students can meet prospective employers. These include:

- [British Engines](#)
- [Siemens Energy](#)
- [Merit](#)
- WD Close
- [Tyne Gangway \(Structures\) Limited](#)

If you can circulate this to your students I would be very grateful. To register please visit: www.eventbrite.co.uk/e/tdr-apprenticeship-open-day-tickets-781398593227?aff=esli

Many thanks for your help with this.
