	Homework Club	Miss Penman	2.40-4.00pm	SSB
Learning Resource Club	Mr Wheeldon	2.40-4.00pm	Cousins Library	

Extra-Curricular Activities at Gosforth Academy 2019
Period 7 Sign-up. Dining Hall. 10.09.19

The list of activities overleaf is correct as of 10.09.19.
More activities may appear later.

You are to choose something you would like to be involved in.

After period 6 today exit school through the dining hall where there will be further information about these activities.

You are to choose something you would like to be involved in.

You choose by writing your name and form class clearly on the sign-up sheet of the activity you like.

This could be something you are not good at and want to develop, or it could be something you enjoy and want to succeed in.

Please note that Homework Club and Learning Resource Club are offered every day, before and after school. These give you a quiet place to study or complete homework. In both places there are resources to help you and the Homework Club has people to help as well.

You do not have to sign up to attend Homework Club or Learning Resource Club, at the Cousins Library, activities but it is very good to get into the habit of attending these once a week to stay on top of your school work.

Play games, sing each week, learn a new language, and learn to speak in public.

It will feel exciting and scary at the same time doing something new like this but these are lifelong skills and activities to develop and enjoy.

Once you have signed up to an activity, underline the information on this sheet and transfer it into your planner. You will of course get more stamps for attending these activities.

Thank you,

Mr McCloskey.
