

GOSFORTH ACADEMY – MAIN SCHOOL

PAYMENT OPTIONS FOR TRIPS AND ACTIVITIES

All payments for school trips and activities at Gosforth Academy are currently ran through our iPay impact payments system, which is the same payment system which we use for school meal top-ups. Web address below:

<https://www.ipayimpact.co.uk/IPI/Account/LogOn>

All parents receive a registration email when their child joins our school, however if your child doesn't use school meals and you haven't needed to register yet and can't find the initial email, you can contact dataupdate@ga.newcastle.sch.uk who can help activate your account.

Once your child has been accepted onto a trip you will receive an email notification from iPay informing you the payment link has been set up so you can log on and make payment.

Other purchases

You can also make purchases for other items such as school lockers, exam resits, school planners and ID badges through the 'school shop' section of iPay.
