Year 13 Review Days - Feedback from Parents

The main concern from parents who fed back something specific to us was around the impact of the pandemic and the way this has limited the range of extra-curricular activities that Year 13 students have been able to take advantage of while in Sixth Form. Most were pleased to see many activities starting up again this school year. Some were also worried about staff and student absence due to Covid infections. Thankfully, the days of extended self-isolation periods for close contacts seem to be behind us now and we continue to do our best to manage a changeable and unpredictable situation when staff or students are sick. Parents were complimentary about the commitment of our staff and their ongoing support of students. The proportion of parents answering positively to the question about knowing what their child is studying seemed a little low.
