Skills

The skills developed throughout the course include:

- The ability to learn independently and an awareness of own learning style
- The ability to research actively and in an organised way
- Time management
- Re-calling detailed information accurately
- Evaluation skills

Assessment

CACHE Level 2 in Child Development and Care is assessed using a combination of *internal assessments*, which are set and marked by teaching staff in line with NCFE's assessment procedures, and an *external assessment* which is set and marked by NCFE:

- Unit 1 and 2- assessed by teaching staff during Year 10 and 11
- Unit 3- examination in October Year 11. This is a synoptic unit meaning it cannot be attempted until the course work Unit 1 and 2 is studied as it consolidates the learning of topics studied for these unit's.
