- The ability to research actively and in an organised way
- Practical intrapersonal skills including; communication, working collaboratively and negotiating
- Time management
- The ability to interpret data to assess an individual's health
- Re-calling detailed information accurately
- Evaluation skills

## Assessment

BTEC Level 2 in Health and Social Care is assessed using a combination of *internal assessments*, which are set and marked by teaching staff in line with Pearson's assessment procedures, and an *external assessment* which is set and marked by Pearson:

- Component 1: Human Lifespan and Development- assessed in December
- Component 2: Health and Social Care Services and Values - assessed in June
- Component 3: Health and Wellbeing- examination in February- this is a synoptic unit meaning it cannot be studied until the course work for Component 1 and 2 is completed as it consolidates the learning of topics studied for these components.
