At the end of each academic year we hold our annual sports awards evening to celebrate sporting achievements across Years 9, 10 and 11. Awards are presented for each sport, including a player of the year, special recognition given for those who excel in their chosen sport outside of school, as well as our top accolade of sportsperson of the year! This year our sportsperson of the year went to Rebecca L for her commitment and success in squash both inside and outside of school. If you wish to be up for an award or be our next sportsperson of the year, make sure to join one of our sports clubs and get yourself involved!
